

**Are you
interested
in taking action
to reduce climate
change & promote
sustainability?**

**Join
other youth
and local experts
to discuss plans
for your home
and community!**

You're invited to...
RYCL's Youth Climate Summit
EARTH DAY 2018

Sunday, April 22nd, 12 noon- 4 p.m.
Rochester Museum and Science Center

Who: Groups of students, educators, and activists from the greater Rochester area.

What: An afternoon of interactive workshops, presentations, planning sessions, and learning.

Where: The Rochester Museum and Science Center, 657 East Avenue, Rochester NY, 14607

When: Sunday, April 22nd, from 12 noon-4pm. Afternoon snack will be provided.

Why: To join together as youth leaders to address climate change and take action.

How: Contact Terry Smith at tsmith@harleyschool.org to register for the event. You can also reach her at (585) 509-2745.

This is a free event sponsored by the Rochester Youth Climate Leaders. To see more details about the schedule and workshop offerings for the event, please visit www.rycl.org.
